2. All full-time students will be required to establish a method of payment of semester tuition fees during the first week of each semester.

Payment options are:

- Payment of all fees in advance,
 - Upfront (deposit) payment of \$300 payable on enrolment and sign an authority for automatic bank transfer payments so that all fees will be fully paid no later than one week prior to the final week of the semester,
 - Application for a FEE-HELP loan covering tuition for Australian citizens.
3. Part-time (2 subjects) students will be required to pay either the full semester fees in advance by the first week of each semester, or an upfront (deposit) payment of \$300 and sign an authority for bank transfer payments so that all fees will be fully paid by the week prior to the final week of the semester to which they apply, or apply for a FEE-HELP loan if eligible.
 4. Part-time (1 subject) students will be required to pay the semester fees in advance by the first week of each semester or apply for a FEE-HELP loan if eligible.
 5. Students unable to pay fees as they fall due will be required to adjust their study load and secure income to cover their fees or discontinue their studies until such time as adequate financial arrangements can be made.
 6. Where there is likely to be a difficulty in meeting financial obligations in regard to student fees, students should confer with the Accountant as soon as possible.
 7. Refund of tuition fees for students withdrawing from or adding a subject or course during the semester will be made as follows -
 - a. Subjects may be added only up to 1 week after the first lecture.
 - b. Students may withdraw from a subject and receive a full refund of fees up until the census date of that unit.
 8. After the census date, no refund will be given except on written application to the ACT on compassionate grounds.
 9. Students are required to pay all outstanding fees prior to the final week of each semester. If a student is unable to clear outstanding fees by this date, the Principal may give permission to graduate if -
 - a. The student signs a letter acknowledging the fee debt as a priority financial commitment to the College, and
 - b. The student will receive the award of the College when the outstanding fees are fully paid, and
 - c. The student agrees that any awarded Diploma or Degree testamurs be held by the College until the outstanding fees are fully paid.
